

Questions & Answers for Fall 2009 Competitive/Travel Program

What do I get for my \$375.00 registration fee?

The registration fee includes the uniform (1 home shirt, 1 away shirt, 2 shorts, & 2 pairs of socks), FYSA registration fee, USA league registration fee, trainer, field rental, lights, tournament (Region C cup or State cup) end of season trophy, referee fees and general organization costs.

Where do we travel to?

The USA league in which we play covers from North Tampa down to the Ft Myers area. Until all the teams are registered with the USA league and the schedule is created by them we cannot tell you exactly where you are playing but it should be within the area described above.

When & where will practice be?

Practices are usually twice a week however a coach may decide to practice 3 times per week prior to the season starting. Practice sessions will be at the discretion of the coach with prior approval from the board to ensure all teams have adequate field space.

Senior Season (U15 and above)

The senior season will start their practices late June/early July as their playing season starts at the beginning of August and goes through to October (ending when the high school season commences) It is usually a 10 game season with 5 away & 5 home games (though this may change when the schedule is created by the league in which the team are playing). Practices would start again after the Christmas break to prepare for the end of season tournament.

Junior Season (U14 and below)

The junior season start their games at the beginning of November. They usually have a break of Christmas then the games resume. The season is around 14 games with 7 away games & 7 home (though this may change when the schedule is created by the USA league in which the team are playing). Practices will start around the beginning of August (maybe as school goes back).

Pre-season scrimmages etc

Your coaches will be arranging pre-season friendlies with other teams in readiness for the beginning of the season. There is always the possibility of playing in other tournaments - this is down to the coach and funding.
